

BOONE TAVERN WILL BE READY BY JUNE 1

Company Plans to Have
Structure Completed Be-
fore Commencement.

HOTEL TO BE SAFE

Partitioning Rooms With
Fireproof Material to Be
Next Big Job.

That the Daniel Boone Tavern will probably not be completed before June 1, is the opinion of Prof. W. S. Williams, who is acting as advisory superintendent for the people who have invested money in the undertaking. "It is beginning to look like a building now but is still far from completion," he says.

The brick work of the building is practically done. The fire walls above the roof and the two pent-houses over the elevator machinery, are yet to be built. The elevator machinery is ready for shipment and will arrive soon. The basement is now being plastered. The plumbing is well under way and the heating plant is practically completed and ready for the radiators. As soon as the roof is finished the heat will be turned on. This will eliminate all delay on account of the cold.

"The next big job will be the setting of the partitions between the rooms," says Professor Williams. "The walls will be made of steel, plaster-board and plaster, making them completely fire-proof."

Professor Williams says much work is yet needed to complete the building. "The floors must be finished, the wood work trimmed, the hardware put in the tiling placed, the marble set, much painting and glazing done and many other things that will take a great deal of time. We will be very well satisfied if the building is completed in time for commencement," he says.

Duane, Pearl May Duane, Albert Duane, Sherman Duane, Pearl Duane, Table Duane, Janie Duane, Ed Duane, L. W. Burnett, S. P. Conley, Administrator, of the estate of James D. Duane, deceased, and the unknown consorts, heirs, devisees, donees, alienees, immediate, mesne or remote, voluntary or involuntary grantees of Tom Duane and of Robert Duane and of Arthur Duane, deceased, Defendants. THE STATE OF MISSOURI, to the above named unknown consorts, heirs, devisees, donees, alienees, immediate, mesne or remote, voluntary or involuntary grantees of Arthur Duane, deceased, and to defendants Gertrude Little, Louis Duane, Albert Duane and Pearl Duane, GREENING.

Now on this 11th day of January, 1917, in session of term time of the Circuit Court of Boone County, Missouri, at the January Term, of 1917, said court, comes the plaintiff, by her attorneys, and files her amended petition herein duly verified by the affidavit of M. R. Conley, agent and attorney for the plaintiff, and in said amended petition states that one James D. Duane died in Boone County, Missouri, on April 18th, 1916, intestate, possessed of the real estate hereinafter described, and that he left surviving him a number of heirs whose names are set out in said petition. And plaintiff further states in said amended petition that there are and that she verily believes that there are other persons interested in the subject matter of the petition, whose names she cannot insert in said petition for the reason that she is wholly unknown to her; that the interests of such persons herein and the manner in which such interests are derived and in what proportions in so far as plaintiff's knowledge extends is as follows: that such unknown persons derive their interest from the above named Tom Duane and Robert Duane, brothers of said James D. Duane, and from Arthur, son of said Tom Duane, and who have long since died intestate leaving such unknown defendants and the defendants, Louis Duane, Albert Duane, and Pearl Duane and the unknown consorts, heirs, and devisees of Arthur Duane, children of Tom Duane, and the defendants, Table, Janie and Ed Duane, children of Robert Duane, as their only heirs at law, but in what proportion said unknown defendants would be interested in the subject matter of the petition is wholly unknown to plaintiff, but that whatever interests they have would be derived to them by reason of their being children or descendants of the above named Tom Duane and Robert Duane and of Arthur Duane and would be derived to them by inheritance from said James D. Duane, brother of said Tom and Robert Duane, and uncle of said Arthur Duane.

And plaintiff files her affidavit verified by the affidavit of M. R. Conley, agent and attorney for the plaintiff, and in said affidavit states that the above named defendants Gertrude Little, Louis Duane, Albert Duane and Pearl Duane, are notified by publication that the plaintiff by petition herein filed of date August 14th, 1916, and as by the amended petition herein filed of date January 11th, 1917, has commenced against them, and the other defendants herein, in the Circuit Court of Boone County, Missouri, an action on equity, for the specific performance of a certain contract which plaintiff alleges was entered into between the plaintiff and said James D. Duane, in the year 1905, whereby in consideration of plaintiff looking after said James D. Duane and performing such services as he required when he was sick and performing such other services as he required when he was well and looking after his burial when he died, he said James D. Duane undertook and agreed by his last will and testament to devise and bequeath to plaintiff all of the property of which he died seized and particularly a house and lot in the City of Ashland, Boone County, Missouri, described as Lot Number One (1) in Block Number Eleven (11) of the town of Ashland, and by which said action plaintiff seeks to have the court decree that after the payment of all of the just debts and funeral

expenses of said deceased that the balance of his estate aforesaid be adjudged to belong to the plaintiff and that said defendants have no interest therein.

It is further ordered that said defendants be and appear in this court on the first day of the next term thereof, to be holden at the Court House in the City of Columbia, Boone County, Missouri, on Monday, APRIL 2nd, 1917, to answer or plead to said petition, or in default thereof in said petition, will be taken as confessed, and judgment by default will be rendered against them, in accordance with the prayer of plaintiff's petition.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in THE DAILY MISSOURIAN, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiff's attorneys as most likely to give notice to said defendants; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of said court.

A true copy from the record: WITNESS my hand as clerk of the Circuit Court of Boone County, Missouri, and the seal of said court. Done at New in Columbia, Missouri, this 13th day of February, 1917.

JAS. E. BOOGS, Clerk.
